REPORT OF SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire
February 5, 1942

To the School Board and Citizens of Bedford:

The only change in the teaching staff this year was Isabelle Barry, who accepted the vacancy in the upper grades at the Peter Woodbury School, created by the resignation of Annette Cote.

Soon after the opening of School, Superintendent Fred W. Hall, was called into United States Army Service. My duties as acting Superintendent began on October 1st.

The years work had been well planned and provided for in every way. I have gone ahead with the program as outlined and will so continue to the end of the year.

Acting under instructions from the State Council for Defense, we have adopted a system of drills and discipline for each school, that will give the children the best possible protection against air raids.

May I take this opportunity to express my appreciation for the whole-hearted cooperation of the School Board, teachers, pupils and all others concerned, who have made the work very pleasant and successful.
